Recognition was given for all the features of Facebook which we have been using (meeting announcements, Class advertising, item sales, swarm capture requests, sharing educational articles,) Thanks again to Larissa who has led the effort for our use of this tool.

This item was discussed and needs to be addressed in the next meeting - Please check in to see if you are on our membership list even if you have been a member for a while. We are working on cleaning up the list and adding members that may have not been added to the list. Check in with Stephanie (Vice President).

Planning meetings will begin for the Intro to Beekeeping Class, Feb. 22, 2025. Volunteers are needed to help with the event, registrations, food prep, giving presentations.....etc. Contact Steve Davis paperclip5@hotmail.com (Cliff will help)

Wax reusable food wraps - Jeannine Kazacos

Honeybee wax processing – Steve Davis

Helpful presentations were made focusing on an end of the season product, capping wax.

An active Q&A session followed with nice participation from an energized group. 25 attendees

Trip to Greece and Honey Tasting - Richard Lercari had a wonderful tasting set-up so we could all try a little taste of various Greek honeys. It was a great way to encourage some really nice socializing.

Oct. meeting topic will be Winterization.
